

GREYS GREEN CRICKET CLUB ANNUAL REPORT MAY 2025

After the excitement of the 150th Anniversary year in 2023 the past year has been a relatively quiet one for the cricket club. As I wrote last year it had started with some panic as our groundsman had just resigned in January. However his replacement Paul has proved to be an outstanding find. As well as creating an excellent playing surface he has the whole Green looking resplendent. We are grateful for the support of our Vice Presidents, many of them local residents, in being able to fund this each year.

On the field we had a successful season, winning or drawing most of our games. Most importantly, after some difficulties in recent times, we were able to field a full side on most occasions and thus fulfil nearly all our fixtures. I am pleased to report that, as the 2025 season gets underway, we have recruited a couple of enthusiastic local residents to add to our playing membership which for some time has relied heavily on people from a wide radius. We are always interested in hearing of others from the parish who are interested. We continue to host some games for the Oxfordshire Under 12s Girls' team.

The outstanding teas remain a feature of home fixtures and we invite you to join us at some stage to share the convivial occasion. The fixture list is posted on the parish website and is displayed on the village hall noticeboard
